

Technical discussion

Technical discussion meeting Info

Adlik is open to embrace any possible collaborations from the community and a technical discussion meeting with Adlik developers will be arranged for a certain topic from time to time. You can see information of Adlik technical discussion meeting by subscribing to its mailing list adlik-technical-discuss@lists.lfai.foundation which will send you TSC meeting information on <https://lists.lfai.foundation/g/adlik-technical-discuss>.

If you have a topic that you'd like to discuss, please send email to adlik-technical-discuss@lists.lfai.foundation to request a technical discussion meeting.
