Linux Foundation Code of Conduct

The Linux Foundation is dedicated to providing a harassment-free experience for participants at all of our events. All participants are expected to behave in accordance with the Linux Foundation Code of Conduct.

Linux Foundation Sponsor Rules and Regulations

The Linux Foundation is dedicated to providing a positive experience for sponsors during the event. All sponsors are expected to behave in accordance with the Linux Foundation Sponsor Rules & Regulations.

Social Media and Communications

We encourage sponsors to post on social media platforms or websites during the conference, and it is entirely acceptable for a sponsor or sponsored participant to share a personal post, blog or tweet. However, any such posts must be solely on behalf of the sponsor or sponsored participant and may not imply endorsement by or co-messaging/affiliation with the Linux Foundation, the event or attendees not affiliated with the sponsor.

All digital conduct, like all in-person conduct, should follow the Linux Foundation Code of Conduct.

NEW: Virtual Event - Planning To-Do List

Tracking for to-do items, due dates, owners, and notes

Task	Due Date	Com plet ed	Own er	Comments
Confirm list of booth assets to display at virtual booth	Augus t 20	х	LF Al	Unlimited number of Videos/demos, links, downloadable content, contact forms & attendee surveys all possible.
Call for volunteers to staff booth	Septe mber 1	х	LF Al	
Finalize all content for the booth	Septe mber 11	х	LF Al	Create and produce any video content, documents, webpages and/or surveys you wish to include in your booth. Content will need to be ready to add to your booth no later than this date.
Finalize booth staff schedule	Septe mber 15	х	LF Al	
Add Booth Staff to online platform	Septe mber 18	х	LF AI	
BOOTH STAFF - Must be registered by this date	Septe mber 18	х	Boot h Staff	
Booth Staff Training on Virtual Platform	Septe mber 23	X	Boot h Staff	 Booth Staff Training Guide Booth Staff Training Video Best Practices for Booth Staff We recommend staffing your booth as you would for an in-person event with a minimum of (2) booth staff available for live chat during recommended booth hours and to monitor the in-booth message board (group chat). Create shifts for your staff. If you have team members across different time zones to cover booth duties outside the recommended booth hours, you are welcome to do so. If your staffing hours differ from the recommended booth hours, consider adding a content tab with your hours to your virtual booth to let attendees know when your staff is available. Include technical, product and sales experts who can answer any attendee questions immediately. When setting up a booth staff profile in the Booth Builder, enter the name of the staffer as it should appear in the booth. It is recommended to include a job title or area of expertise to help attendees identify who they should talk to about specific topics. Add a photo of each staffer to their profile. Attendees are more likely to talk to a friendly face than an anonymous icon. Host a training session before the event to walk your staff through the booth layout, staffing portal, lead reporting portal, and booth builder (if applicable).

Event Registrations

There are **10 registration passes** available for use. To receive a registration pass you must sign up for booth staffing (see below) and be approved by the Event Lead. LF AI staff will then provide the registration link and registration code for use.

	Attendee Name	Attendee Email
1	Jim Sphorer	spohrer@us.ibm.com
2	Shamim Reza Sohag	sohag.shamim@gmail.com
3	Sushant Agarwal	sushant.agarwal@psit.ac.in
4	Youakim Badr	yzb61@psu.edu

Booth Details

Please note: Open Booth Hours may change based on the conference session schedule.

Booth Location: To be updated

Booth Staffing

Please note: All booth staff must be registered for ONES 2020. If you are staffing the booth, please reach out to LF AI staff for a free registration code.

Important Notes:

- Booth staffing will require you to log into the ONES virtual platform and be available to chat with attendees and and answer questions in our virtual booth.
- The booth will also include downloadable information on the LF AI Foundation, including how to Get Involved, links to our projects, etc.
 When setting up a booth staff profile in the Booth Builder, it is recommended to include a job title or area of expertise to help attendees identify who they should talk to about specific topics.
